

Recognition of foreign qualifications

Have you acquired a professional qualification from abroad? Do you want to work in your profession in Germany? In this case you can or you have to get your qualification recognized. We advise you....

Haus International in Kempten offers the recognition consultation. Our offer targets all people who have acquired their professional qualification from abroad, regardless of their nationality or residence status.

Our offer includes:

- Recognition consultation for school, occupational or academic degrees: we explain, based on the recognition laws in Germany, the legal basis for the recognition, the necessity of the recognition, the responsible centers, the required documents, the recognition procedure...
- Recognition consultation based on missing documents.
- Support through the recognition procedure: contact establishment with the responsible centers, following up the status of the recognition....
- Further qualification consultation in case of full recognition or adaptation qualification consultation in case of partial recognition.

Our offer is free of charge, confidential, neutral and based on the mutual respect. We offer the consultation in German, English and Arabic.

Appointments are to be arranged by phone or e-mail.
(Office hours: Mon – Thu 09:00 – 18:00)
